Dear Webb

Several favours of yours have come to hand, which should have been acknowledged before this, had it been in my power to have forwarded the same — Your Old friend George Suder was kind enough to call & spend an evening with me & to give the Particulars of our Situation — Several letters from Webb have come to hand this Week which informs me our good friends are well — Make my Compliments to Major <sup>of Gen Browns Corps</sup> Gardiner, whose Politeness to me has been great and inform him I shall be happy to do him any favour in my power — Capt' Walker, Capt' Williams, and the other Gentlemen of the Reg't with a friendly Remembrance

I am dear Webb

Your sincere friend  
Ben Huntington
